

LEGO Rock Raiders Screen Saver Initial Pricing

Version 1.0 04/05/1999

SELLING PRICES FOR EXISTING SCREEN SAVERS

LOWEST BRACKET

The cheapest screen savers are image printers that display one image after another. Depending on the content, these range from \$9.95 for nature photos to \$24.95 for NASA and military pics.

HIGHEST BRACKET

The most complicated screen savers are probably DOGZ 3 and CATZ 3. These retail at \$29.95 each.

COMPANIES WHO CREATE SCREEN SAVERS

There are many companies who will put together image sequencers. However, one English company who claims to create professional multifunctional savers can be found at:

<http://screencomuk.hypermart.net/>

The downloaded demo is not very impressive but can be found at:

<\\lan\D\Lego\Ssaver\skuk.exe>
